Handling Clients Money and/or Insurer Money

We collect and hold money as agent of the insurance undertaking. Interest will not be paid to customers in respect of money held in our bank accounts. We may pass the money you pay us to another intermediary. We will only do this where it is a necessary part of the process of arranging cover for you. Where this includes intermediaries outside the UK the legal and regulatory regime may be different from that of the UK. In the event of the intermediary failing money may be treated differently than if it was held by an intermediary in the UK. You may notify us if you do not wish your money to be passed to a person in a particular jurisdiction.

Conflict of Interests:

Occasions can arise where we, one of our clients or product providers will have a potential conflict of interest with business being transacted by you. If this happens and we become aware that a potential conflict exists, we will write to you and obtain consent before we carry out your instructions, and detail the steps we will take to ensure fair treatment.

Your Responsibilities:

You are responsible for providing the complete and accurate information, which insurers require in connection with any proposal for insurance cover. This is particularly important before taking out a policy and at a renewal, but it also applies throughout the life of the policy. If you fail to disclose any material fact or other information material to the insurance this could invalidate the policy and mean that claims may not be paid. You should check all details on any proposal form or statement of fact and pay particular attention to any declaration you may be asked to sign.

You must satisfy yourself that the limit of indemnity offered under the insurance is adequate to cover any potential claim made against you now or in the future.

You should read thoroughly all insurance documents issued to you and ensure that you are aware of the cover, limits, terms and exclusions that apply. Particular attention should be paid to any warranties and conditions as failure to comply with them could invalidate your policy.

You should take note of the required procedures in the event of a claim, which will be stated in the policy documentation. Generally, insurers require immediate notifications of claims or circumstances that might lead to a claim. You should inform us immediately of any changes in circumstances that may affect the services provided by us or the cover provided by your policy. If you are unsure about any matter, please contact us for guidance.
