This cover is subject to the **navigational limits** and all **policy** terms, conditions and exclusions.

Subject to the conditions and exclusions set out in this **policy** if **your vessel** sustains **physical loss** or **damage** following an **occurrence** we will pay the following:

**United Kingdom/UK** – means England, Scotland, Wales, Northern Ireland, the Channel Islands and the Isle of Man

**Vessel** – means the vessel identified in **your schedule** and the gear and equipment which would usually be sold with the vessel. It includes any trailer and cradle in the same ownership as **your** vessel and used exclusively for **your** vessel. It also includes the additional equipment, accessories, **tenders** and outboards stated in **your schedule**.

**Vessel Value** – means the monetary value of **your vessel** stated in **your schedule** and as agreed by **us**.

**War** – means military action, either between nations or resulting from civil war or revolution.

**We/Us/Our** – means AIG Europe Limited.

**You/Your** – means the person or any legal entity (including any individuals, shareholders, partners, members or beneficiaries of that legal entity) named in the **schedule** as the proposer, who is the owner of the **vessel**.

## **5. Scope of cover and general provisions**

### **Residency**

**You** and all **insured persons** must have their main home in the **United Kingdom** at the time **you** buy or renew this **policy**.

If **you** are a resident of the Channel Islands and the Isle of Man **you** must have **your** main home in the Channel Islands or Isle of Man respectively.

### **Age Limits**

The person buying this insurance must be between 21 and 80 years of age at the date of buying or renewing this **policy**.

If **your vessel** is being sailed in tidal or coastal waters **you**, or an **insured person** who is over the age of 18, must be on board at all times.

### **Continuation of Insurance**

If the **vessel** is at sea when this **policy** expires, it will automatically continue until the **vessel** arrives safely at the next port of call provided that **you** notify **us** as soon as reasonably possible and agree to pay an additional premium as reasonably calculated by **us**. Any additional premium will be calculated relative to **your** initial premium and based on the number of days of additional cover provided.

### **Economic Sanctions**

**We** will not be liable to provide cover (including payment of a claim or provision of any other benefit) under this **policy** if **we** are prevented from doing so by any **economic sanction** which prohibits **us** or **our** parent company (or **our** parent company's ultimate controlling entity) from providing cover under this **policy**.

**Economic sanctions** change from time to time and can include prohibiting the transfer of funds to a sanctioned country, freeze the assets of a government, the corporate entities and residents of a sanctioned country, or freeze the assets of specific individuals or corporate entities.

This means that if **you**, or any third party who has suffered a loss which would otherwise be covered under the **policy**, are the subject of an **economic sanction** **we** may not be able to provide cover under the **policy**.

## **6. Cancellations and Refunds**

### **Policy and premium alteration**

For monthly paid policies, **we** will notify **you** of any changes to the terms and conditions, including the premium, of this **policy** by giving **you** 30 days' notice in writing to **your** last known address. For annually paid policies, **we** will notify **you** of any changes to the terms and conditions, including the premium, of this **policy** by giving **you** 30 days' notice prior to the anniversary of the effective date shown in **your schedule** in writing to **your** last known address. **We** will only make a change in order to reflect a change to **your** circumstances, in the event of any change in the law affecting this **policy**, for example a change in Insurance Premium Tax, or to reflect a change to **our** underwriting approach.

If the changes are acceptable to **you** then this **policy** will continue.

If the changes are not acceptable, **you** may cancel this **policy** in accordance with the cancellation provisions set out below. If **you** cancel, for monthly paid policies claims made from the next premium due date following the date **we** receive notice of the cancellation will not be payable except where the event giving rise to the claim arose prior to such premium due date. For annually paid policies, claims made from the first day of the next calendar month following the date **we** receive notice of the cancellation will not be payable except where the event giving rise to the claim arose prior to such premium due date. **We** will return

to **you** any premium already paid to **us** in advance for cover that is unused at the date of cancellation.

**You** are responsible for notifying **insured persons** of such cancellation or any changes to the terms and conditions.

### **Cancellation and cooling off period**

#### **Your right to cancel the policy within the cooling off period**

**You** may cancel this **policy** within 15 days of the **policy** commencing or of **you** receiving the **policy** documentation (whichever is the later). **You** may cancel this **policy** by giving **your** intermediary notice in writing to:

CETA Insurance Limited  
CETA House, Cromwell Business Park  
Chipping Norton  
Oxfordshire  
OX7 5SR

**We** will give **you** a full refund of any premiums paid less any claim payments. Refunds will be returned to **you** within 30 days from the date **we** receive notice of cancellation, for **you** to pass on to any **insured persons** if applicable.

If within this cooling off period an **insured person** has made a claim which is covered under this **policy**, **we** will only refund the part of the premium in proportion to the period of unused cover. This will be returned to **you**.

#### **Your right to cancel the policy after the cooling off period**

**You** may cancel this **policy** at any time by giving **your** intermediary notice using the contact details above.

For annually paid policies, cover will stop on the first day of the next calendar month following the date **we** receive notice of the cancellation. The premium for the period up to the date when the cancellation takes effect will be calculated and any unused portion of the premium which has been paid in advance will be returned to **you** less any claim payments.

For monthly paid policies, cover will stop from the next premium due date following the date **we** receive notice of the cancellation.

#### **Our right to cancel the policy**

**We** have the right to cancel this **policy** by giving **you** at least 30 days notice in writing at **your** last known address where **we** have serious grounds for doing so, including any failure by **you** or any **insured person** to pay the premium in accordance with clause 7 under section 11 General Conditions or to comply with the conditions set out in this **policy** which is incapable of remedy or which **you** fail to remedy within 30 days of receiving a notice from **us** requiring **you** to remedy the breach. **You** will receive a proportionate refund of the premium paid from the date **we** cancel the **policy** except where there is an instance of fraud, and provided a claim has not been made during the **policy period**.

In the event that **we** are no longer able to provide cover, **we** will give **you** at least 60 days notice in writing to **your** last known address, in advance of the premium due date.

**You** are responsible for promptly telling other **insured persons** that this **policy** has been cancelled.

No person other than **you** and **us** has the right to cancel this **policy**.

## **7. How to make a Claim**

**We** must be notified as soon as it is reasonably possible after the event which causes the potential claim. If **you** need to notify **us** of a potential claim under any section of **your policy** one of **our** dedicated claim specialists will be available 24 hours a day, 7 days a week on the telephone number below. Calls may be monitored or recorded to improve **our** service and for security or regulatory purposes. **You** will need to provide **your** name and **your policy** number at the time of reporting a potential claim.

To make a claim under **your policy** please contact **our** claims administrator:

In writing: AIG Boat Claims, 14-16 Park Place, Cardiff, CF10 3DQ

By Telephone: +44 (0)345 600 7851

By Fax: +44 (0)2920 388 529

By E-mail: aigboat@cl-mar.com

In the case of **theft** or **malicious damage** **you** must also notify the local police and any relevant port authority as soon as reasonably possible, and keep a note of any reference number given to **you**.

**You** and all **insured persons** must take all reasonable steps to avert or minimise any loss which would be recoverable under this **policy** and to minimise liabilities to third parties. In particular, **you** and all **insured persons** must not make any admission of liability for salvage or for any liability to a Third Party. If **you** do so, **we** may not be obliged to reimburse **you** or any **insured person** in respect of such salvage or other liability.

In addition to sums otherwise payable under this **policy** **we** will pay the **reasonable costs** of any steps which **you** properly take in accordance with **your** obligations under this condition providing those costs do not exceed the **vessel value** stated on **your schedule**. Any costs incurred by **you** in bringing or defending collision claims or in contesting liability for claims brought against **you** are not covered by this **policy**.

In the event of an **occurrence** which is likely to give rise to a claim under **your policy**, or if **you** or any other **insured person** under **your policy** is sued in connection with an **occurrence** which may be covered under **your policy**, **you** or the **insured person** must:

- (a) as often as **we** reasonably require:
  - i. provide **us** with any records and/or documents **we** request; and
  - ii. answer truthfully any question put to **you** by **us** and provide **us** with a signed statement to that effect if reasonably required by **us** that sets out to the best of **your** knowledge:
    - i. the time, place and cause of the **occurrence**; and
    - ii. details of any other insurance which may cover the **occurrence** and the full amount claimed under each **policy** for which a claim is made;
- (b) provide **us** with the names and addresses of any known persons injured and any available witnesses;
- (c) provide **us** with demand letters, legal documents and other documents in **your** possession which may help **us** defend **you** or any **insured person**;
- (d) assist and co-operate with **us** in the conduct of the defence by helping **us**:
  - i. to reach a settlement;
  - ii. to enforce any right of contribution or indemnity against any person or organisation who may be liable to **you** or an **insured person**;
  - iii. to attend hearings and trials; and
  - iv. to secure and give evidence and obtain the attendance of witnesses.

If **your** claim is for the cost of repairing **physical damage** to **your vessel** **we** may ask **you** to obtain and submit to **us** at least two estimates for those repairs, in which case the claim will not be considered before those estimates have been received.

Where **you** have paid for the cost of repairing **physical damage** to **your vessel** and are seeking reimbursement under **your policy**, **we** will only pay such claims provided that **you** have obtained **our** prior approval and following submission of receipted repair accounts and the like and a discharge form satisfactory to **us** and signed by **you** or on **your** behalf.

No claims under Section 1 (Physical Loss or Damage to Your Vessel) and Section 2 (Physical Loss or Damage to Personal Effects) will be paid except to **you** or the **insured person** on the **schedule** unless there is express provision in **your policy** for payment to another party or in **our** sole and absolute discretion to a repairer of **your vessel** following **your** written request or consent.

All claims, unless otherwise stated, will be reduced on payment by the amount of the **excess** set out in **your schedule** in respect of each and every loss or series of losses arising out of any one **occurrence**.

**We** may also make a deduction (in addition to the **excess**) in the case of any claims for **physical loss** or **damage** to sails, **protective covers**, standing and running rigging, outboard motors and electrical and electronic equipment and **personal effects** to represent the advantage to **you** of receiving a new item in place of an old one. The maximum amount **we** will deduct is as follows:

<b>Age of Item</b>	<b>Deduction</b>
Up to 1 year	10%
Up to 2 years	20%
Up to 3 years	30%
Up to 4 years	40%
Over 4 years	50%

## **9. Compensation**

### **Financial Services Compensation Scheme (FSCS)**

AIG Europe Limited is covered by the FSCS. If **we** are unable to meet **our** financial obligations **you** may be entitled to compensation from the scheme, depending on the type of insurance and the circumstances of the claim.

For insurance required by law, 100% of **your** claim is covered without any upper limit. For all other types of insurance, 90% of **your** claim is covered, without any upper limit. Further information about compensation scheme arrangements is available at [www.fscs.org.uk](http://www.fscs.org.uk) and on **020 7741 4100**, or **0800 678 1100**.

## **10. General Conditions**

The following conditions apply to all sections of this insurance. To have the full protection of **your policy you** must comply with the following conditions. Failure to comply with any condition may result in **your** claim being denied or may affect the amount **we** pay. The extent of **your** failure to comply with the conditions may determine whether **we** deny any claim made under **your policy** or the amount **we** pay to **you** in the event of a claim.

1. When completing an application for this **policy**, or to vary or renew this **policy**, reasonable care must be taken by **you** to ensure that any information given to **us** by **you** (whether directly or indirectly) is accurate and complete, including when answering questions **we** may ask and/or in providing confirmation of or amending any information previously given to **us**. If there are any changes to **your** circumstances and/or the information **you** have provided is no longer true, valid or up-to-date **you** must tell **us** as soon as is reasonably possible as this may affect **your policy** and **your** ability to claim under it.
2. This **policy** is non-transferable or assignable unless agreed by **us** in writing.
3. The benefits detailed in this **policy** in respect of **your vessel** are only payable to **you** or an **insured person** or their legal representative and any claim may only be presented by **you** or an **insured person** or their legal representative.

4. Any fraud, deliberate dishonesty or deliberate hiding of information connected with **your** application for this **policy** or in connection with a claim will make this **policy** invalid. In this event, **we** will not refund any premium and **we** will not consider for payment any claims which have not already been submitted to **us**. Where claims have been made by **insured persons** (other than **you**) under this **policy**, but remain unpaid, prior to the discovery of the fraud, deliberate dishonesty or deliberate hiding of information where the **insured person** making the claim had no involvement in it, such claims will be considered for payment in the usual way.
5. Any fraud, deliberate dishonesty or deliberate hiding of information by an **insured person** at any time will make this **policy** invalid so far as it concerns cover for that **insured person**. If this happens, the **insured person** will lose any benefit due to them and they must pay back any benefit that **we** have already paid.
6. If any claim is found to be fraudulent, or if **you** or any **insured person** gives misleading information when making a claim, the claim will be declined and **you** or the **insured person** shall forfeit all entitlements and benefits under this **policy**. No refund of premium will be allowed and **we** may inform the police, government or other regulatory bodies in these circumstances.
7. **You** must pay the premium shown in **your schedule**. No claim will be met under this **policy** if the premium has not been paid.

The premium is to be paid either monthly by direct debit or annually as shown on **your schedule**. The premium is due on the first premium due date and on each monthly or annual anniversary depending if **you** pay monthly by direct debit or annually as stated in **your schedule**. If **you** pay premiums on a monthly basis, each payment of premium **you** make is for the following month's cover.

If any premium is not paid on the date it is due **we** will notify **you** in writing and **you** will have 30 days in which to pay it. If it is not paid during that period, this **policy** will automatically be cancelled, in accordance with the provisions in section 7 Cancellations and Refunds, from the date on which the unpaid premium was originally due and no claim will be paid that occurs after the original due date. If the premium is paid during the 30 day period, then cover will operate as if it had been paid on the due date.

If **you** cancel **your** monthly payment before the end of the **policy period**, **we** will cancel **your policy** from the final day of the month in which the last premium was paid.

8. **Your vessel** must only be used for **private pleasure** purposes.
9. **Your vessel** must not be used for charter or for any commercial use unless **we** have specifically agreed in advance in writing that **your vessel** may be used for other purposes and **you** have agreed to pay any additional premium which **we** require.
10. If **your vessel** is being sailed in tidal or coastal waters **you**, or an **insured person** who is aged over 18 years, must be on board at all times.
11. **Your vessel** must only be sailed or otherwise navigated between the hours of sunrise and sunset local time and for no more than a cumulative total of 100 nautical miles per day unless otherwise agreed by **us** in writing in advance.
12. **Your vessel** must be maintained in a **seaworthy** condition at all times while afloat. Delegation of all or any part of the obligation to maintain **your vessel** in a **seaworthy** condition shall not relieve **you** of the consequences of any breach of this condition.
13. **You** and each **insured person** must take all lawful, reasonable precautions, including making temporary repairs, to protect property from further damage and mitigate any loss payable under this **policy**.

14. **You** and all persons on board **your vessel** must comply at all times with all relevant laws and ensure that **your vessel** conforms in all respects with all applicable safety regulations. Any permits or licences required for the legal operation of **your vessel** must be obtained, observed and maintained in force.
15. If **you** or an **insured person** has the right to recover all or part of any payment made under this **policy**, those rights of recovery are transferred to **us** following, and to the extent of, **our** payment under this **policy**. **You** and any **insured person** must not do anything after the loss to impair such rights of recovery. At **our** request, **you** or an **insured person** will bring an action at **our** expense, transfer those rights to **us** and help **us** enforce them or **your** rights and cooperate with **us** in **our** attempt to recover **our** payment. No one covered under this **policy** or acting on their behalf shall waive, limit or impair **our** right to recover and/or the amount to recover against a third party before or after a loss.
16. In the event that a third party is deemed liable for part or all of any claim, **we** may exercise **our** legal right to pursue that third party. **You** and all **insured persons** shall, at **our** request and **our** expense, agree to and permit **us** to do such acts and things as may be necessary or reasonably required for the purpose of exercising this right. **We** will pay any costs or expenses involved in exercising **our** right against such third party.
17. All claims must be notified as soon as is reasonably possible after the event which causes the claim. Failure to do so may result in **our** rejection of the claim if it is made so long after the event that **we** are unable to investigate it fully, or may result in **you** not receiving the full amount claimed for if the amount claimed is increased as a result of the delay.
18. Only **you** (or **your** executor or personal representative in the event of **your** death), an **insured person** (or an **insured persons** executor or personal representative in the event of an **insured persons** death) and AIG Europe Limited may enforce the terms of this **policy** and the provisions of the Contract (Rights of Third Parties) Act 1999 do not apply.
19. No change or modification of this **policy** shall be effective except when made by a written endorsement issued by **us**.
20. No **insured person** shall join **us** in any action against any other person.
21. Unless **we** have agreed otherwise, when other insurance applies to a loss covered under this **policy**, **we** will pay only the rateable proportion of the loss that **our** amount of cover bears to the total amount of insurance covering the loss.
22. An **insured person's** bankruptcy or insolvency shall not relieve **us** of any of **our** obligations. However, an **insured person** must notify **us** immediately upon filing or service of legal documents initiating any such proceedings. Further, if an **insured person** dies or becomes bankrupt or insolvent during the **policy period**, this **policy**, unless cancelled by the **insured person's** legal representative, will cover the **insured person's** legal representative for the remainder of the **policy period**.

## **11. General Exclusions**

General exclusions apply to all sections of **your policy**.

**We** will not cover the following:

2. Any claim that occurred outside of the **policy period**.
